Star of the Month - Tata Consultancy Services

Aug 2019

Appreciator's note : Abhishek is one of the most valued member of InControl Development team.
He has made a great contribution in one of the flagship project of COOP (Cash Management CCi integration). He has taken up the complete ownership of multiple complex modules and delivered the end to end solution. Within the short span of time he has understood the business's need and converted them into the system level design. We are proud to have a committed team member like him. Wish you good luck for the upcoming days.
